Broadband Services

Package ▶	Bronze		Silver		Gold	
	GB per Month (Peak + Off Peak)	Monthly Rate	GB per Month (Peak + Off Peak)	Monthly Rate	GB per Month (Peak + Off Peak)	Monthly Rate
2 Mbs/2 Mbs	3GB + 3GB	\$9.22	5GB + 5GB	\$13.83	10GB + 10GB	\$27.66
5 Mbs/5 Mbs	7GB + 7GB	\$18.44	10GB + 10GB	\$27.66	20GB + 20GB	\$55.32
10 Mbs/10 Mbs	17GB + 17GB	\$46.10	25GB + 25GB	\$69.15	50GB + 50GB	\$138.30
15 Mbs/15 Mbs	UNLIMITED	\$92.20	UNLIMITED	\$138.30	UNLIMITED	\$276.60

The above amounts are inclusive of GST. The download capacity is in addition to the 2GB available as part of the basic internet service. An account fee of \$4.50 shall apply to those users who do not subscribe to a MyOwn Tel telephone service.

So What's the Difference Between Bronze, Silver and Gold?

It all comes down to Contention Ratio, which describes the maximum number of users that are sharing the same internet gateway connection. As expected, our Gold service guarantees a very low Contention Ratio ensuring your traffic is competing far less for priority with other users on the network.

Disclaimer: Our Standard Form of Agreement is available on the MyOwn Tel website at www.MyOwnTel.com.au. Any prices listed are subject to market changes and should be used as a guideline only.
